

### REMARKS

Reconsideration and further examination is respectfully requested.

Applicant notes that the office action did not reject claims 19, 23, 24, and 25. In view of the Examiner's Interview, it is believed that as to claim 19 this is an oversight, however, it is believed that claims 23, 24, and 25 are acceptable except that they depend from a rejected claim. Accordingly, Applicant amends claim 1 to incorporate the limitations of claim 23 and cancels claim 23. Also, claims 26 and 27 are amended to more particularly point out and distinctly claim a means for supporting the liner that is not shown in the prior art.

Applicants have made a diligent effort to place the claims in condition for allowance. However, should there remain unresolved issues that require adverse action, it is respectfully requested that the Examiner telephone Daniel A. Rosenberg, Applicants' Attorney at 515-288-2500 so that such issues may be resolved as expeditiously as possible.

For these reasons, and in view of the above amendments, this application is now considered to be in condition for allowance and such action is earnestly solicited.

Respectfully Submitted,
